A Quality Built Home

Pristine Condition

Situated on a lovely cul-de-sac in Peters Township on a gorgeous landscaped lot sets this lovely, four bedroom, three full and two half baths Frank Lloyd Wright inspired residence. An elegant entry welcomes your guest in style while providing fantastic visuals of unique architectural features.

The resident cook is sure to enjoy the spacious gourmet kitchen that boasts gorgeous cabinetry, state of the art appliances, chef's prep island, breakfast bar and walk-in pantry. Adjacent to the kitchen is the breakfast morning room that offers lovely backyard views. The huge family room with its dramatic vaulted ceiling, hardwood flooring, expansive wall of windows (with door access to the patio) and gas burning fireplace flanked with built-ins, will be the perfect place to relax after dinner. Serve a holiday feast in the formal dining room that offers hardwood flooring, fine moldings and a lovely tray ceiling. The living room with its crown molding and neutral carpeting is sure to be a decorators delight. The huge master suite is conveniently located on the main level and highlights a fireplace, neutral carpeting, expansive windows, and french door access to the patio. The luxurious master bath and oversized his & her walk-in closets are a "must see". A handsome den, a laundry room, two powder rooms and a large bonus room (that could be a 5th bedroom, hobby room etc.) completes this level of the home. Three bedrooms with ample closets and two full baths are located on the upper level of this magnificent home.

Entertain family and friends on the large roof covered patio that overlooks the yard and garden areas. A two-car garage plus a wide turn-around driveway, is sure to accommodate all the family and guests vehicles. You're sure to fall in love with the grace, beauty and many quality amenities that this pristine condition home has to offer.
